

Seshathri Balan G

AI & ML Student

+91 9944561920 | Arcot, India | seshathribalan777@gmail.com

Portfolio: sesha77.github.io/Sesha_portfolio | github.com | linkedin.com/in/seshathri-balan-g-236bb0257

OBJECTIVE

BE CSE (AI & ML) graduate aiming for roles in AI, Machine Learning, Data Science, or Software Engineering. Seeking opportunities to apply skills in Python, data analysis, and model development to solve real-world problems.

SKILLS

Programming: Python, R, HTML

AI & ML: Regression, Classification, Clustering, CNN, NLP

Tools & Libraries: NumPy, Pandas, Scikit-learn, Matplotlib, TensorFlow (Basics)

TECHNICAL EXPERIENCE

Pondicherry University — AI/ML Intern | Feb 2025 – Mar 2025 | Puducherry, India

- Built a real-time Face Detection System using Python and OpenCV with improved accuracy under varied lighting conditions.
- Implemented webcam-based face detection using bounding boxes and optimized performance for real-time processing.

Network Geek — Data Science Intern | Jun 2025 – Jul 2025 | Chennai, India

- Worked on data preprocessing, analysis, and visualization using Python libraries.
- Assisted in developing machine learning models for data-driven solutions.
- Improved understanding of data science workflows, model evaluation, and analytics techniques.

PROJECTS

Hybrid Music Recommendation and Control System | Aug 2025 – Present

- Built a smart system that recommends music based on facial emotion recognition.
- Implemented gesture controls for play, pause, next, and volume operations.
- Developed using OpenCV, MediaPipe, TensorFlow/Keras, and Python.

Face Detection in Images | Feb 2025 – Mar 2025

- Developed face detection using Haar Cascade and DNN-based OpenCV models.
- Applied preprocessing techniques such as grayscale conversion and histogram equalization.
- Successfully detected multiple faces under varying conditions.

EDUCATION

AMET University, Chennai, India

B.E. in Computer Science and Engineering (AI & ML) | 2022 – 2026 | CGPA: 7.8 / 10

Sunbeam CBSE School, Vellore, India

HSC (Class XII) | 2022

Sunbeam CBSE School, Vellore, India

SSLC (Class X) | 2020

CERTIFICATIONS

- IBM: Data Visualization using Python
- IBM: Data Analysis using Python
- IIT Tirupati: Generative AI/ML using Data Science Workshop

AWARDS & ACHIEVEMENTS

- Arttifai Tech Hackathon 2025 – Winner Certificate of Participation
- SRM Hackathon 2025 – Participation Certificate

LANGUAGES

Tamil – Native | English – Proficient
